

IORIYA

「ORIGIN」

MILAN FASHION WEEK

**Villa Erba, Lake Como
1 March 2026 Autumn Winter**

LOOK BOOK

-ORIGIN- 原炭

A Symphony of Heritage and Movement.

COLLECTION STATEMENT

Beyond the fabric lies a narrative of transformation.

"-Origin-" is a dialogue between the timeless elegance of Japan and the dynamic spirit of the modern world.

Inspired by the interplay of light and shadow, and the dramatic silhouettes of theatrical arts, each piece is a reconstructed legacy.

As Japanese craftsmanship meets the classical beauty of Villa Erba, a new origin is born—where history is worn, and culture is felt in every motion.

"We create a bridge between history and the future through wearable art."
